7:35-7:52 AM- Please pull around on the eastside of the building as far forward as possible. Your students should not be let out of the vehicle unless they are by the solid yellow line. Please have your student get out of the car closest to the sidewalk. Follow the direction of the duty. Students will then go to breakfast or to the back playground.

DISTRICT MISSION STATEMENT

“The mission of Jefferson School District 251 is to provide each student with a high quality education.”

DISTRICT VISION

“We are a community focused on student learning in order to build character, foster informed and productive citizenship, and prepare all youth for college and career success.”

GENERAL INFORMATION

ATTENDANCE – BOARD POLICIES 3050 AND 2380

Attendance at school is an indicator of success in school and is necessary for maximum student learning. All students are expected to be in class on time every school day. Jefferson School District defines acceptable elementary school attendance as missing not more than seven (7) days per trimester. **If a student must be absent from school, the parent/guardian is requested to call the office by 9:00 am to report the absence for that day.** If a phone call is not possible, a note explaining the absence must be given to the office on the day of return. If parents/guardians find it necessary to take students out of school for an extended period of time, please contact the office in advance.

Tardies/Early checkouts

Tardies caused by a late bus, inclement weather, or for medical reasons are excused and shall not be counted on the student’s record. “Excessive” tardies is defined as more than five tardies.

Absences

Students who accrue ten (10) consecutive absences will be dropped from school. When the student returns to school, the student may be re-enrolled in school. Students served by homebound will not be included in this procedure (Board Policy 2380). In addition, students with seven (7) or more unverified absences, whether consecutive or accumulative, may be referred to the Board of Trustees, or designee, as a habitual truant.

Make-Up Work

Students who are absent from or late to class can make up work missed, but they miss out on direct instruction, a critical component in the educational achievement of students.

ACADEMIC OR BEHAVIOR CONCERNS

When academic or behavioral concerns become apparent to either parent or teacher, the district has a problem-solving process to address the issue. The first step is for the parent and teacher to discuss the concern and try some interventions in the classroom. If the concern persists, or significantly impacts the child’s learning, the parent or teacher may refer the student to a building student support team to review

the concern and interventions previously tried. This team may then develop an additional intervention plan and timeline. If the concern persists even after additional interventions, the child may be referred to a building level multidisciplinary team for further assessments.

ACCIDENTS/INJURIES – BOARD POLICY 3540

If an accident occurs at school, the school office will call parents/guardians or emergency contacts to notify them of the situation. Please keep your contact information current with your teacher and the front office.

ANIMALS IN ELEMENTARY CLASSROOMS – BOARD POLICY 2375

1. Animals are allowed in elementary classrooms when they are required for a unit of instruction from the Jefferson Joint School District #251 adopted curriculum. The animals may remain in the classroom only as long as required by the unit of instruction that is being taught.
2. Wild animals are not allowed in the classroom.
3. Students are not allowed to bring their pets from home.
4. The building administrator shall approve the use of animals in classrooms and assemblies.
5. Service animals are allowed per Board Policy 2375 (www.Jeffersonsd251.org).

ALLERGIES – BOARD POLICIES 3510 AND 3515

It is common for students to have serious allergies. **Please notify the office if your student has any allergies.**

BEFORE AND AFTER SCHOOL SUPERVISION

For your child’s safety, students shall not arrive on school grounds prior to 20 minutes before school and must exit school grounds no later than 20 minutes after the final bell. School personnel are not available for supervision outside of those times.

BICYCLES/ROLLERBLADES/SKATEBOARDS/SCOOTERS/WHEELIES

Students riding bikes, skateboards, scooters, or rollerblades to school should walk as soon as they are on school property. Bike racks are available; students are encouraged to wear helmets and to use locks on their bikes. **Wheelies are not allowed at school.**

BIRTH CERTIFICATES – BOARD POLICY 3000

Idaho State law requires: “Upon enrollment of a student for the first time in an elementary school or secondary school, the person enrolling the student must provide either a **CERTIFIED** copy of the student’s birth certificate or other **reliable proof** of the student’s identity and birth date, which proof shall be accompanied by an affidavit explaining the inability to produce a copy of the birth certificate”. Other reliable proof of the student’s identity and birth date may include a passport, visa, or other governmental documentation of the child’s identity.

BIRTHDAYS AND SPECIAL OCCASIONS

Please do not send special flowers, balloons, invitations, treats, etc., to the school that are intended for just one child. You are welcome to bring treats that may be shared with all your child’s classmates on special occasions. Treats must be store purchased and in the original packaging. Invitations should include all classmates if brought. Thank you for your help in this area.

BOARD POLICY – SEE APPENDIX A

All board policies may be accessed from the district website: www.Jeffersonsd251.org

BOOK FINES

When books are issued, students should notify their teacher of previous book damage. If there is unreported damage, the student may be held accountable. Fines for books not returned or damaged beyond use will be charged based on the district's replacement cost of the book.

BULLYING – BOARD POLICY 3295 – SEE APPENDIX D

Bullying is an aggressive behavior that is intentional, *repeated over time*, and involves an imbalance of power or strength. A child who is being bullied has a hard time defending himself or herself. We are committed to providing all students with a safe, bully-free environment that will allow them to learn and grow.

BUSES – BOARD POLICY 8140

Riding the school bus is a privilege for students, not a right. Appropriate student behavior is essential for a safe and positive environment while transporting students. Students are expected to conduct themselves in an orderly manner while waiting for and riding on the school bus. The bus driver has the same rights and responsibilities to maintain order on the bus as the teacher does in the classroom and it is vitally important not to distract the driver from his/her driving duties. Misbehavior on the bus or at the bus stop can deprive a student of their bus riding privileges. **The phone number for Transportation is 208-754-8211.**

CAMPUS SAFETY

Jefferson Joint School District #251 takes the safety of our students very seriously. Fire drills, earthquake drills, and lock down drills for intruder situations are conducted on a regular basis at all schools.

CELL PHONES/ELECTRONIC COMMUNICATION DEVICES/STUDENT-TRACKING SAFETY DEVICES – BOARD POLICY 3265/3563

Students, with permission of their parent(s)/guardian(s) may be in possession of a cell phone or other related electronic devices on school property. The devices shall be turned off and securely stored in their backpack during the instructional day.

Students who violate the provisions of this policy are subject to disciplinary action, including losing the privilege of bringing the device onto school property, detention, suspension, or expulsion. In addition, an administrator will confiscate the devices, which shall only be returned to the student's parent(s)/guardian(s). Where appropriate, police authorities may be contacted.

Students are responsible for the care of devices they bring to school. The District shall not be responsible for loss, theft, or destruction of devices brought onto school property.

CLOSED CAMPUS

All district elementary schools have been designated as closed campus schools. Once students are on campus, they are required to have permission from parents or guardian to leave the campus. Leaving campus without permission constitutes truancy.

COPYRIGHT – BOARD POLICY 2150/2150P

Federal law makes it illegal to duplicate copyrighted materials without authorization of the holder of the copyright, except for certain exempt purposes. Severe penalties may be imposed for unauthorized copying or using of audio, visual or printed materials and computer software, unless the copying or using conforms to the “fair use” doctrine. Under the “fair use” doctrine, unauthorized reproduction of copyrighted materials is permissible for such purposes as criticism, comment, news reporting, teaching, scholarship or research.

Teachers will instruct students to respect copyright laws and to request permission when their use of material has the potential of being considered an infringement. No information or graphics may be posted on any school system official website in violation of any copyright laws.

DELIVERIES

Flowers/plants or other gift deliveries to students will not be accepted due to student allergies, storage, disruption to the school day, etc.

DIRECTORY INFORMATION OPT-OUT – BOARD POLICY 3570

Schools may disclose, without consent, "directory" information such as a student's name, address, telephone number, date and place of birth, honors and awards, participation in school activities, photograph, weight and height of athletic team members and dates of attendance. DISCIPLINE – BOARD POLICIES 3330 AND 3340

DYSLEXIA OR OTHER READING CONCERNS – BOARD POLICY 2415

The District has a system in place at each elementary school to identify students that have reading difficulties. Students in Kindergarten through 5th grade are given an initial screening test each fall. Students who are not at grade level per the initial screening test, are given a diagnostic test to identify specific reading difficulties. Evidence-based intervention is then provided to address the specific identified skill deficits.

Beginning in the fall of 2023-24, all District instructional staff and instructional coaches involved in the instruction of students in grades kindergarten through 5 will complete a professional development course on dyslexia that has been approved by the Idaho State Department of Education.

APPENDIX E – BOARD POLICY 2420

Title I Parent Involvement

The District endorses the parent involvement goals of Title I and encourages the regular participation of parents of Title I eligible children in all aspects of the program. The education of children is viewed as a cooperative effort among the parents, school, and community. In this policy the word “parent” also includes guardians and other family members involved in supervising the child’s schooling.

Pursuant to federal law the District will develop jointly with, agree upon with, and distribute to parents of children participating in the Title I program a written parent involvement policy. The notice shall include information about complaint procedures regarding Title 1 parental participation programs, and shall inform parents of their right to request information about the professional qualifications of both the teachers and the paraprofessionals who teach and work with their children. To the extent practicable, each parent should receive the policy in a language they can understand.

The Board directs the Superintendent to develop a plan to provide support for schools in planning and implementing parent involvement activities. The Superintendent is also directed to coordinate and integrate other parental involvement strategies related to programs such as Head Start, Reading First, Early Reading First, Even Start Family Literacy Programs, Home Instruction Programs for Preschool Youngsters, Parents as Teachers, and public preschools. At the required annual meeting of Title I parents, parents will have opportunities to participate in the design, development, operation, and evaluation of the parental involvement program for the next school year. Proposed activities to address the requirements of parental-involvement goals shall be presented.

If the school-wide program developed is not satisfactory to the parents of participating children, any parent comments on the plan shall be submitted to the District when the school makes the plan available to the local educational agency.

In addition to the required annual meeting, at least three additional meetings shall be held at various times of the day and/or evening for parents of children participating in the Title I program. These meetings shall be used to provide parents with:

1. Information about programs provided under Title I;
2. A description and explanation of the curriculum in use, the forms of academic assessment used to measure student progress, the proficiency levels students are expected to meet, and how the school will provide individual student academic assessment results;
3. Opportunities to formulate suggestions and to participate, as appropriate, in decisions relating to the education of their children; and
4. The opportunity to bring parent comments, if they are dissatisfied with the school’s Title I program, to the District level.

5. The opportunity for parents to evaluate involvement activities and to identify barriers to greater participation. This input shall be used to inform strategies for effective parental involvement, and to revise policy as necessary.

Parents with disabilities shall be provided with an opportunity to request the auxiliary aids and services of their choice. Such support shall be provided by the school unless it demonstrates that another effective means of communication exists, or that use of the means chosen by the parent would result in a fundamental alteration in the service, program, or activity or in an undue financial and administrative burden. Outreach efforts shall include outreach to parents of limited English proficient students to inform them of how the parents can be involved in the education of their children, and be active participants in assisting their children to attain English proficiency, achieve at high levels in core academic subjects, and meet the challenging State academic achievement standards and State academic content standards expected of all students. Title I funding, if sufficient, may be used to facilitate parent attendance at meetings, through payment of transportation and childcare costs.

The parents of children identified to participate in Title I programs shall receive from the school principal and Title I staff an explanation of the reasons supporting each child's selection for the program, a set of objectives to be addressed, and a description of the services to be provided. Opportunities will be provided for the parents to meet with the classroom and Title I teachers to discuss their child's progress. Parents will also receive guidance as to how they can assist at home in the education of their children. Each school in the District receiving Title I funds shall develop jointly with parents of children served in the program a "School-Parent Compact" outlining the manner in which parents, school staff, and students share the responsibility for improved student academic achievement in meeting State standards. The "School-Parent Compact" shall:

1. Describe students' responsibility for academic improvement.
2. Indicate the ways in which each parent will be responsible for supporting their child's learning, such as monitoring attendance, homework completion, and television watching; volunteering in the classroom; and participating, as appropriate, in decisions related to their child's education and positive use of extracurricular time;
3. Describe the school's responsibility to provide high quality curriculum and instruction in a supportive and effective learning environment enabling children in the title 1 program to meet the State's academic achievement standards;
4. Address the importance of parent-teacher communication on an ongoing basis with (at a minimum) parent-teacher conferences and at the end of each grading period, frequent reports to parents, and reasonable access to staff.
